C S5F2 Am S6F3  
I look into your eyes, my heart is fluttering  
F G  
For the beauty of your soul.. is here to see.  
C S5F2 Am S6F3  
I don't know... why I've been chosen for this blessing  
F G C  
Why God has brought such beauty near to me.

I look into your eyes, my heart is fluttering  
E G ----- F E D D E E

**Inst:** Repeat V1 chords lines 1+2

C S5F2 Am S6F3  
I do not know you. We haven't even shared an ice-cream  
F G  
Or run naked over meadows or rippling sands  
C S5F2 Am S6F3  
Of beaches being stroked by waves of oceans.  
F G C  
...I haven't even held your hand.

**Inst:** V1 but lines 1+2 but FM7 instead of F

C S5F2 Am S6F3  
I dream... of lying here beside you.  
F G  
And watch you breathing gently as you sleep.  
C S5F2 Am S6F3  
To wake with you... in the summer dawning.  
F G C  
And to make love... as the sun warms the day.

**Inst:** V1 lines 1+2

C S5F2 Am S6F3  
Oh, I know that soon you will be gone just like a butterfly.  
F G  
And bring joy... to others on this Earth  
C S5F2 Am S6F3  
And I wish you well and thank God for your existence  
F G C  
Although you're going makes me just a little sad.

This song arrived in me after a chat with someone over a cup of coffee

**Verse 1** end with 'your beauty' instead of 'such beauty'
