Oh Eve, please don't blame it on me that Adam's not the man of your dreams

G F# F7 E7 A7 D7

When I ripped the rib from his side, there was something I just couldn't hide.

G G7

Some blood began to flow. His voice went falsetto.

C A7

Getting out that rib was a devil of a job you know.

C C#7

I was only trying to help.

G E

I wanted him to feel well

A7

And not get depressed

D7

And end up in Hell.

INST: G B7 E7 // A7 D7 G D7

G B7

He's got enough blood to help his brain think

E7

And to tweet his little thing that makes you turn pink

A7 D7 G D7

But there's still one problem, as you know

G G7 C A7

His blood goes round and round. Things go up and down

C C#7 G E A D7 G

Sometimes his lights are on but mostly they are out.

G B7

|| Cos' his blood flows just fine to his manhood and his mind

E7

But the loss of blood means there's not enough

A7 D7 G G7

to be in both places at the same time :|| So sad

God explained to Eve why Adam is
no dream man
